

On July 2nd of current year in office of International Investors Association was held meeting between exporters and head coordinator of Export promotion Service of the national investment agency Mr. Mikheil Kobaladze, commercial attaché of European Union representation Ms. Virginia Kosoul, The German Technical Support Society representative Mrs. Aleksandra Operman and Alexander Revia. At the meeting were attending Commercial attaché Of Turkish republic in Batumi Volkan Berker, Chairman deputy of International Investors Association Cezmi Akshahin, Chairman of Trustee Board Mr. Levan Shervashidze, The head of Certification and licensing department of Finance and Economic Ministry, trustee from Ministry of Agriculture, 32 exporters and mass media representatives.

At the meeting were presented presentations of Export Promotion Service and trade relationships between Georgia and European Union by Commercial attaché of European Union.

Timely solution of all issues of the meeting raised by exporters will lead to easier work and growth of export volume.

Export Promotion Service in nearest future will put in motion new trade web-portal and export info center due to promote making contacts between local entrepreneurs and foreign buyers.
