

28 May 2021, Due to the circumstances caused by the pandemic, the 'Strong Diaspora for a United Georgia' forum was held online. The forum was attended by the Georgian Prime Minister, Speaker of the Parliament, head of foreign affairs, deputies, heads of diaspora organizations, schools and groups operating abroad, citizens working in various fields abroad, Georgian diplomatic representatives abroad, non-governmental organizations, academics, and businessmen. The official launch of the forum was followed by two panel meetings held in a row: (a) Economy and Business - Georgian Diaspora for the Development of the Country, (b) Education and Culture. The speakers in the thematic groups presented their vision and shared professional knowledge and experience with the forum participants. Thematic group members reviewed the needs and difficulties caused by the pandemic upon the diaspora organization to jointly develop effective recommendations for solving the existing problems. The forum was also attended by Osman Chalishkan Mzhavanadze, Chairman of the International Investors Association of Georgia. Mr. Osman thanked the Government of Georgia, the organizers of the forum and all the participants for a fruitful and interesting meeting
