

On June 19, 2022, after the successful completion of the 13th International Exhibition of Tourism and Hotel Equipment, a tour to Trabzon was organized by the company Geonet Expo for the students of the Faculty of Tourism of BSU. As part of the tour, students toured the sights of Trabzon and visited Uzun Gol Lake and Sumela Monastery. At the end of the tour, the students thanked Osman Chalishkan Mzhavanadze, Chairman of the International Investors Association of Georgia and Director of GEONET EXPO, for organizing the tour and similar opportunities. The students of the Faculty of Tourism underwent a one-month internship program during the EXPO BATUMI TRAVEL 2022 exhibition. They had the opportunity to participate in the organizational issues of the exhibition and gain knowledge and experience that will help them take future career steps. Exhibition company Geonet Expo thanks the Faculty of Tourism of Batumi Shota Rustaveli State University for their cooperation.
