

On December 15, 2022, the conference "Development of a partnership system to improve the implementation of industrial labor and health protection standards in Georgia" was held in Batumi by "Business Georgia" and "Workplace Safety, Health and Environmental Protection Association (VDSI)". At the meeting, they talked about issues of labor safety, challenges and problems in the employment sector in Georgia. The conference was held within the framework of the project "Improved working conditions for safe and healthy work" funded by the German Federal Ministry for Economic Cooperation and Development (BMZ). Government and private sector representatives, chairpersons of associations and businessmen attended the said conference. The mentioned meeting was also attended by the the Chairman of the DEIK Türkiye-Georgia Business Council and the International Investors Association of Georgia, Osman Chalishkan Mzhavanadze.
