

On December 16, 2022, a working meeting was held online between the chairmens of the Eurasian business councils of DEiK. During the meeting, the parties discussed Türkiye-Georgia trade and economic relations, activities carried out this year and future plans. "Turkey is a friendly country and a trade partner of Georgia, it is necessary to jointly promote the deepening of trade and economic relations between the two countries and the maximum use of Georgia's investment potential" - noted Osman Chalishkan Mzhavanadze, of the DEiK Türkiye-Georgia Business Council and the International Investors Association of Georgia.
