

On October 24 of the current year, International Investors Association became a member of International Chamber of Commerce (ICC). IIA also became the member of ICC Georgia's Ex Officio Board Member. As a result of membership IIA will network and build business relations with more than hundred other influential member companies of ICC Georgia, will establish relations with key policy makers and appropriate governmental bodies, will daily access to all draft laws being discussed in Parliament and to monitor their impact on business and take necessary action so that interests are preserved, will hold valuable seminars and workshops, place Member Company's advertisements and articles in ICC's quarterly newsletter, most importantly, IIA will become part of a very powerful business organization and therefore will be better protected.
