

On June 8, 2012 at the hotel “Radisson Blu” was held the joint conference organized by the Businessmen Association of Anatoly “Askon” and the Ajara Ministry of Finance and Economy. The co-organizer of the meeting was International Investors Association. Getting acquainted with the investment environment and deepening of entrepreneurs relations were the main purposes of the conference. Georgian businessmen informed the guests with the business-environment and investment opportunities of the region. Turkish businessmen were interested in the investment in tourism, economy and agriculture spheres. The bilateral meetings were held with the representatives of some companies.

Business Association Anatolian Lions or ASKON joins businessmen and entrepreneurs. Its members are handling an approximate amount of 2,5 billion dollars of capital. Besides, they are employing around 125 thousand people.
