

On January 12, 2013 Ozel Turkiye beyazay association and medical association “Tana” signed memorandum of cooperation. According to the memorandum, Ozel Turkiye beyazay association will help the disabled children of the medical association “Tana”. The memorandum was signed by the chairman of the Ozel Turkiye beyazay association Mr. Lokman Aivas and the chairman of the “Tana” medical association Mrs. Nana Sakvarelidze. The event was attended by three members of parliament from Turkey and from the Georgian side government representatives. Besides, the chairman of international investors association Mr. Jemal Bilgingulluoglu and members attended the meeting. The idea of the signature of the memorandum was expressed by International Investors Association on December 28, 2011, after the charity event, which was organized by the association. Within the event the disabled children were given the household inventory and various toys.
