

The representatives of “GSP + Preferential Trade Regime” and its members visited International Investors Association. The investors were welcomed by the Secretary General of IIA, Mr. Osman Chalishkan. The businessmen working in different fields like construction, agriculture, beauty products and others, are interested with investment in Georgia. There are many factories in there activity list as inside the country as abroad. In the case of starting business in Georgia, at the manufacture will be written “Made in Georgia”. Besides, at the meeting they talked about the version of making Batumi like, Las Vegas. In its way, the Secretary General of IIA will co-operate and support with “GSP + Preferential Trade Regime” and its members.
