

An agreement between the Ministry of Economic Development and Real Estates Companies was signed in order to accelerate the privatization process of the state properties. The Deputy Minister Grigol Gobejishvili was the one to sign the agreement from the Ministry's side. The agreement was signed with seven broking companies, particularly: ind. entrepreneur "Rusudan Meifariani" (realtor,) ind. entrepreneur "Mariam Khutsishvili," LTD "Privateservice," LTD "Real Estate Service," non-profit legal entity "Association of Real Estates of Georgia," LTD "Buruka" and LTD "Erdo." According to the announcement of the head of State Property management and Privatization Department Giorgi Bakradze, the agreement is very important because it implies the participation of broking companies in the privatization process. All this will make these processes more efficient. "In case if the private companies find potential clients or investors for the privatization items, individual agreements will be made between the Ministry and the representatives of these companies," – Bakradze said.
