

2020 was a difficult year for everyone, the situation caused by the COVID-19 pandemic sadly affected us all. On behalf of the Georgian International Investors Association, we would like to thank our medical staff who are selflessly protecting our health during the difficult period of the pandemic. Hopefully, in the near future we will be able to defeat the virus and return to the normal rhythm of life. Happy New Year 2021! We would like to wish you good health, happiness, peace, joy, kindness, and a prosperous year.
