

During the meeting, the parties discussed the current problems that arose during the pandemic. They discussed the important factors for improving the investment environment and the need to attract new investments in the region, as well as the implementation of joint measures in the future. Along with the main topics of the above-mentioned meeting, the joint involvement and holding of planned exhibitions and similar events was discussed. Osman Chalishkan Mzhavanadze, Chairman of the Investors Association, thanked the guests for visiting the Association.
