

On December 16, 2021, in the office of the Foreign Economic Relations Board of Turkey (DEİK) in Istanbul, an information meeting was held with the Representatives of "enterprise in Georgia". Enterprise in Georgia Representatives of the Agency held a presentation on the activities of the Investment Environment Agency of Georgia, current projects and future plans. Also, various directions of the country's investment potential were discussed during the meeting. The meeting was attended by Cemal Yangın, Chairman of Turkey-Georgia Business Council (DEİK), members of the Board, diplomatic representatives and businessmen. The mentioned meeting was attended by the Chairman of the Investors Association Osman Chalishkan Mzhavanadze. In June 2014 the Ministry of Economy and Sustainable Development of Georgia, together with the Ministry of Agriculture, launched a new government program "Produce in Georgia." The program's objective is to promote an entrepreneurial culture throughout the country by stimulating the establishment of new enterprises and supporting the expansion of existing operations. Enterprise Georgia is the key implementing partner of "Produce in Georgia" and is responsible for business support, export promotion and investment in Georgia sectors.
