

On August 5-9, 2023, the annual meeting of the heads of Turkish diplomatic missions abroad, the “14th Conference of Ambassadors”, will be held in Ankara, under the organization of the Ministry of Foreign Affairs of Turkey. Within the framework of the 14th conference of ambassadors, a panel discussion was held on the topic: analysis of trade, economic and energy issues of the Republic of Turkey. Within the framework of the event, they discussed Turkey's trade and economic relations, current topical issues, the importance of increasing international partners and future plans. Representatives of the government and diplomatic corps of the Republic of Turkey, chairmen of associations and non-governmental organizations and businessmen attended the said conference.
