

On October 7, 2023, representatives of the agricultural sector of the Republic of Iran visited the International Investors Association of Georgia. At the meeting, the parties discussed the current issues, the investment environment of Georgia, the prospects of agribusiness and the potential in the agricultural sector. Chairman of DEIK's Turkey-Georgia Business Council and International Investors Association of Georgia, Osman ChalishkanMzhavanadze, thanked the guests for their visit and wished them success.
