

On September 8 of the current year, at 11:00, in the International Investors Association of Georgia, the Austrian Company “Malojer” arranged a presentation about its activity. Representatives of local and foreign companies, government of Ajara Autonomous Republic and profile ministries as well as the representatives of IIA member companies attended the event.

Field of interest of “Malojer” is the design-construction of hospitals, power stations, tourist bases and elite houses.

“

Malojer” plans to take part in the construction of Borjomi leisure complex. Besides it plans for the future to participate in other construction projects in Ajara region.
