

On January 13, 2014 was held one more charity event by International Investors Association. Secretary General of the Association initiated to help the Surmanidzes' family living Kobuleti, being beyond socially vulnerable. The story was announced on TV last post. Where the children were talking about New Year's wishes, in the family are 5 minor children living in extremely difficult conditions. Mr. Osman Chalishkan acquired the necessary products for the family and personally visited Surmanidze's family. In addition, children were given clothes, shoes and toys, and the housewife was given household inventory. Trying to enjoy them with dinner and make them fun by the special show in McDonalds was also organized by International Investors Association of Georgia. To realize this Charity event, the Association was helped by one of the member company, the textile factory "BTM". International Investors Association of Georgia is going to continue the aid the Surmanidze's family in the future.
