

On 4th of June, 2015. Members of Tourist Agency of Turkey “Tursab” , representatives of Ministry of Culture of Turkey and representatives of Turkey Airlines were hosted in the International Investors Association. During the meeting the sides have talked about tourist and investment potential of the region. Members of the delegation are visiting the region under invitation of Department of Sport and Youth Affairs. It should be noted that Turkey, in recent years, has become a leader as per the number of incoming tourists not only on the regional scale but also on the national one. In June, two more media tour from Turkey are scheduled by the Department of Tourism.
