On May 17 of current year was held opening ceremony of the hotel “Sheraton Batumi”. The president Mikheil Saakashvili, Prime-Minister of Turkey Recep Tayip Erdoğan, the head of the Autonomous Republic of Adjara Levan Varshalomidze, representatives from the government, Turkish Delegation, representatives of Georgian International investors Association were attended the ceremony. Five stars Hotel has 203 rooms and received its first guests in spring of 2010. “Sheraton Batumi” was constructed based on Turkish investments. The owner is famous businessman Nurettin Carmıklı. On opening ceremony Prime-Minister of Turkey Recep Tayip Erdoğan underlined the importance of the cooperation of two countries and declared: “The most important is that the construction boom in Adjara should not be stopped and “Nurol Georgia” will assist in this issue. We have long term experience of cooperation concerning customs and airport and this cooperation will continue in the future”. The president of Georgia declared: “There will be all main hotel brands in Batumi, more world level hotels than elsewhere” and added that there will be the one of the best architecture of 21st century in the world. Georgian International Investors Association congratulates association member “Nurol Georgia” on successfully implemented project.
